# The Slow Dentistry Experience

As the fastest growing dental network in the world, with more than 200 certified clinics and practitioners in over 60 countries, we are completely focused on the future of gold standard oral healthcare.

Our global network, work philosophy and cornerstones are the foundation for the Slow Dentistry Experience: a tutorship project aimed at providing outstanding educational opportunities for young dentists at top Slow Dentistry clinics around the world.

Our Honorary Global Ambassadors will welcome the next generation of dentists for exclusive Externships, Internships, and Mentorships that will fully explore the Slow Dentistry ethos, as well as build a unified, stress-free relationship between the employer and the employee that ultimately promotes a healthy work-life balance.

The Slow Dentistry Experience is for those who seek inspiration and empowerment in their work, for those who deeply believe in their ability to radically change dental care worldwide.

**Together, we will create the go-to platform for outstanding dental clinical tutorship.**

## EXTERNSHIPS

CLINICAL SHADOWING PROGRAMME | SHORT-TERM

### BACKGROUND

Shadowing is an extracurricular activity in which a pre-dental/dental student and a graduate follow a dental professional for a designated period of time. It is an excellent way to explore the daily life of a dentist and discover if a dental career/specialty is the right fit. The main point of shadowing a dentist is to observe. By watching how a **Slow Dentistry Provider** interacts with patients, the trainee will learn more about what it actually means to be a dentist. Shadowing is also an important requirement for most dental schools in the USA and UK.

### GOALS & BENEFITS

- 1 First-hand Observership
- 2 Chairside Assisting
- 3 Eye-opening Experience
- 4 Understand Patient Confidentiality
- 5 Earn Shadowing Hours
- 6 Receive a Letter of Recommendation

### SUITABLE FOR

- 1 Pre-dental Prospect Students
- 2 Dental Students from all years
- 3 Fresh Graduates
- 4 Dental Therapists/Hygienists/Assistants

## INTERNSHIPS

HANDS-ON TRAINING PROGRAMME | MEDIUM-TERM

### BACKGROUND

Hands-on training is the most on-demand sphere of dental education.

Fast-paced growth in the dentistry field has led to a reform in the model of information delivery. This internship pairs the trainee with a **Slow Dentistry Educator** who is dedicated to teaching state-of-the-art techniques and methodologies in a practical manner.

This programme may include administration of care to patients under supervision and consent, which makes it the ideal opportunity to sharpen skills.

### GOALS & BENEFITS

- 1 Patient Care Experience
- 2 Hands-on Practical Training
- 3 Patient Communication Exposure
- 4 Professional Networking
- 5 A Different Work Environment
- 6 Business Management Learning

### SUITABLE FOR

- 1 Senior Dental Students/Interns
- 2 Fresh Graduates
- 3 Early-Career Dentists
- 4 Latest Knowledge Seekers

# MENTORSHIPS

ONE-ON-ONE COACHING PROGRAMME | LONG-TERM

## BACKGROUND

Mentorship in dental healthcare is a journey in which the mentor aids the personal and professional development of their mentee by setting achievable goals and realistic plans, monitoring progress, providing feedback, and assisting with considerations supported by the Slow Dentistry philosophy. It is mentee-centred, transformational and based on a relationship of trust, respect, and confidentiality. The **Slow Dentistry Mentor** facilitates the exploration of needs, motivations, ambitions, and commitment to making change in an up-and-coming mentee, promoting self-awareness, reflection, and informed decision-making. Results will include sustainability of the workforce with reduced turnover of staff, the maximisation of potential and progress in operational efficiency, improvement in patient care, and health work environments.

## GOALS & BENEFITS

- 1 Learning Objectives Guidance
- 2 Self-Awareness & Confidence
- 3 Career Goals Clarity
- 4 Cultivation of Innovation

## SUITABLE FOR

- 1 Fresh Graduates
- 2 Early-Career Dentists
- 3 Pursuant of excellence in dentistry
- 4 Confused dental professionals
